In which town should/could a shop possibly be opened (postcode, town)?

How many inhabitants does the town have? _____

What is the name of the nearest city, and how far away is it?

Is there a distinct youth scene locally, and where is it, or are there any special features worthy of mention in or around the town concerning the retail trade and youth?

How does the structure of the retail trade look for youth trademarks and are there any shops which stock Dirty Jerz trademarks (if so, which shops, and which trademarks)?

Is there a shop already in existence, and can it be taken over? If so, what is it called at the moment, which trademarks are sold there and what is the address?

If so, please describe how it is fitted out, or the shelf systems, as well as the general condition of the shop (any necessity for renovation).

If so, please give all commercial parameters of the shop (staff structure, staff costs, rental expenses, any other expenses, how long the lease is for, who is the tenant, landlord, etc.). Please do not forget to attach a copy of the lease!

If not, in principle what possible locations come into question, and why?

Please describe the situation and the area directly surrounding the desired location (neighbourhood, youth scene, etc.) as appropriately as possible

Please, in principle, if you have specific ideas regarding location, attach meaningful photos of the surrounding area, neighbouring shops or, if applicable, the shop in question which could be taken over, from both inside and outside.

I hereby confirm the correctness of the details given above. I am aware that any incorrect details constitute a reason for extraordinary termination and may, if applicable, result in claims for compensation for damage.
